CHANGES CHANGES CHANGES

Dear Quinte Branch Loyalist Members:

Some of you may have heard that Dominion is going to an electronic, direct-payment system for memberships. A few smaller branches have been chosen to initiate the system and get the bugs out before launching to the rest of the branches. As such the Bay of Quinte Branch will collect memberships as usual. The only change presently will be the time frame for dues collection. Starting November 1st dues collections begin. Dominion must receive your dues by December 31st in order to maintain your membership. The Quinte Branch will transition to an electronic *option* in 2020 as the system develops. All other methods of membership payment will remain intact for those wishing that method of payment.

Individual dues are \$55 per member, \$70 for family while multibranch membership remains unchanged at \$15. A new student rate is now available for \$28.00 (proof of student status such as a student card is required along with application and fees).

Membership includes the Branch newsletter, *The Quinte Loyalist Muster*, published 5 times per year as well as the *Loyalist Gazette*, published by Dominion twice yearly. As a member, you are entitled to participate in all Branch activities, take part in all business and vote at the Branch level.

Help keep our Loyalist Heritage alive and our Branch active.

Donations are always welcome. Have you considered giving a gift membership to someone who would enjoy the benefits?

For LIFE MEMBERS who don't submit annual dues an update in personal information would be appreciated. Just return the membership form with any changed information.

All the best in the coming year and we hope to see you at the upcoming meetings.
